PROFILE

Aspiring C# Developer with a strong foundation in .NET technologies and a keen interest in Business Analysis. I am passionate about developing efficient software solutions and continuously improving my skills. I thrive in collaborative environments and am eager to contribute to innovative projects.

WORK EXPERIENCE

Software Developer Intern

Jan 2023 - Jun 2023

ABC Tech Solutions, Ho Chi Minh City

- Developed and maintained web applications using C#, ASP.NET MVC Core, and Entity Framework, focusing on HRM and project management modules.
- Collaborated with cross-functional teams, including BA and UI/UX designers, to gather requirements and implement new features.
- Conducted unit testing and debugging to ensure high-quality code and functionality.
- Utilized Git for version control and participated in code reviews to enhance team collaboration.

Junior Developer

Jul 2022 - Dec 2022

XYZ Innovations, Ho Chi Minh City

- Assisted in the development of a hotel management system using C#, ASP.NET MVC Core, and MySQL.
- Engaged in requirement analysis and documentation to ensure alignment with client expectations.
- Implemented responsive web designs using HTML, CSS, JavaScript, and Bootstrap.
- Participated in daily stand-ups and sprint planning sessions to track project progress.

EDUCATION

B.Sc, Information Technology

2018 - 2022

University of Science, Ho Chi Minh City

- GPA 8.0/10, Good classification. Thesis focused on developing a web-based application for task management.
