PROFILE

Junior System Administrator with a strong passion for network systems and infrastructure management. I have hands-on experience with Linux environments and a solid understanding of network structures. I am eager to learn and grow in the field of system administration, focusing on optimizing performance and security.

WORK EXPERIENCE

System Administrator Intern

Jan 2023 - Present

ABC Tech Solutions, Ho Chi Minh City

- Assisted in managing Linux servers, including configuration and maintenance of DNS and DHCP services.
- Participated in the setup and monitoring of internal network infrastructure, including VLAN segmentation to enhance security.
- Collaborated with senior engineers to configure Nginx for web services, improving response times and reliability.
- Gained experience in troubleshooting network issues and providing support for internal services.

IT Support Technician

Jun 2021 - Dec 2022

XYZ Corporation, Ho Chi Minh City

- Provided technical support for network and server issues, ensuring minimal downtime for internal services.
- Assisted in the deployment and management of PostgreSQL databases, ensuring data integrity and performance.
- Conducted routine maintenance and updates on Linux systems, enhancing overall system security and efficiency.
- Developed documentation for network configurations and system processes to streamline operations.

EDUCATION

B.Sc, Information Technology

2018 - 2022

University of Science, Ho Chi Minh City

- GPA 8.0/10, Good classification. Thesis focused on network security protocols and their implementation.

TECHNICAL SKILLS

- Operating Systems: Linux (Ubuntu, CentOS)
- Networking: DNS, DHCP, VLAN configuration, Nginx
- Database Management: PostgreSQL, MySQL
- Virtualization: Proxmox, HAProxy
- Scripting: Bash, basic knowledge of Python

CERTIFICATIONS

- Linux Professional Institute Certification (LPIC-1) | 2023
- Cisco Certified Network Associate (CCNA) | 2022

ADDITIONAL

- Strong analytical and problem-solving skills, with a keen attention to detail.
- Quick learner, enthusiastic about participating in advanced training programs.
